

## Good to know

### Validity

The zone ticket allows you to make as many journeys as you like on all public transport services in the Zug fare network area (bus, train, funicular) within the chosen zone(s) during the time period printed on the ticket.

The fare network does not include the boats on Lake Zug and Lake Ägeri. Fare network tickets are valid up to the last/starting from the first scheduled stop inside the chosen area of validity.

### Ticket inspections

Tickets must be retained until the end of the journey and shown to the ticket inspector on request. Please buy your e-ticket before boarding. Anyone without a valid ticket will incur a supplement of at least CHF 100. Please note that this amount will increase in the event of a repeat offence.

### Passengers with restricted mobility

Wheelchair users: Please use the doors marked with the wheelchair symbol. Apart from a few exceptions, modern low-floor vehicles are used. People who have difficulty walking: Please use the door near the driver.

### Travelling with bicycles

Bicycles require a bike ticket, which is a "Reduced 1/2" 2nd class ticket. Please note: The "Zugerberg Trail" ticket is available for anyone wanting to use the Zugerberg Trail. This includes bike transportation on the Zugerberg Bahn (ZBB) and use of the trail and the bike wash station. An additional ticket must be purchased for the bike for the journey to the Zugerberg Bahn. Self-service bicycle loading is only allowed at certain stops on routes 601, 602 and 612:

Route 602: Zug, Bahnhofplatz / Menzingen, Dorf / Menzingen, Kreuzegg

Route 612: Zug, Bahnhofplatz / Allenwinden, Dorf / Unterägeri, Zentrum / Oberägeri, Station
